MESABI CERTIFIED REBUILD

RADIATOR AND CORE WARRANTY

WARRANTY

L & M Radiator Pty Ltd warrants rebuilt MESABI cores and framework, manufactured under the MESABI Certified Rebuild programme, for both materials and workmanship for a period of 18 months from the date of invoice.

Under this Warranty, the obligation of L & M Radiator Pty Ltd is limited to the repair or replacement (at our option) of components that are proven to be defective in workmanship or materials.

L & M Radiator Pty Ltd further warrants rebuilt MESABI cores, with new MESABI seals installed, against seal leakage during normal use, for a period of 36 months from the date of invoice.

Damage or leakage, cause by accidents, misuse or corrosion are not warranted.

Warranty on components not manufactured by L & M Radiator Pty Ltd shall be that of the individual manufacturers. Individual manufacturers operational and maintenance requirements must be met and their policies regarding shipment and inspection of claimed defective parts will apply.

L & M Radiator Pty Ltd is not liable for consequential or incidental damages or costs. Consult factory before proceeding with warranty claims. This warranty supersedes all previously published warranties.
